

Decorative Cover Glass for RSE (Rear Seat Entertainment)

► 應用 Applications

Switchable in-vehicle Rear Seat Entertainment display.

可切換式車載後座娛樂顯示器

► 特點 Features

- Introducing the new “Version 2” decorative display for RSE, designed with an elevated visual experience in mind.
全新推出 RSE 專用「Version 2」裝飾型顯示方案，專為提升視覺體驗而設計
- Clearer, more premium imagery by minimizing pattern overlap and suppressing sparkle for a cleaner, more immersive display compared to the previous version.
透過降低圖案重疊並抑制閃爍現象，相較於前一版本可呈現更清晰且更具質感的影像效果，帶來更純淨且沉浸的顯示體驗
